MANAGEMENT INFORMATION CIRCULAR

(containing information as at August 8, 2018, unless stated otherwise)

Shareholders who do not hold their shares in their own name as registered shareholders should read “Advice to Beneficial Shareholders” below for an explanation of their rights.

SOLICITATION OF PROXIES

This management information circular (the “**Information Circular**”) is furnished in connection with the solicitation of proxies by the Management of Rupert Resources Ltd. (the “**Company**”), for use at the Annual & Special General Meeting (the “**Meeting**”), of the shareholders of the Company (“**Shareholders**”), to be held on September 11, 2018 at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof. The solicitation will be primarily by mail; however, proxies may be solicited personally or by telephone by the regular officers and employees of the Company. The cost of solicitation will be borne by the Company.

The board of directors of the Company (the “**Board**”) has fixed the record date for the Meeting as the close of business on July 13, 2018 (the “**Record Date**”). Shareholders of record at the Record Date are entitled to receive notice of and to attend and vote at the Meeting or any adjournment(s) thereof, unless after the Record Date a shareholder of record transfers ownership of any common shares of the Company, and the transferee of those shares, having produced properly endorsed certificates evidencing such shares or having otherwise established ownership of such shares, requests, not later than 10 days prior to the Meeting, that the transferee's name be included in the list of shareholders entitled to vote at the Meeting, in which case such transferee shall be entitled to vote such shares at the Meeting.

The applicable form of proxy must be executed by the shareholder or by the shareholder's attorney duly authorized in writing, or, if the shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized.

THE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY (THE “INSTRUMENT OF PROXY”) ARE DIRECTORS AND/OR OFFICERS OF THE COMPANY. EACH SHAREHOLDER SUBMITTING A PROXY HAS THE RIGHT TO APPOINT A PERSON OTHER THAN THE PERSONS DESIGNATED IN THE PROXY, WHO NEED NOT BE A SHAREHOLDER, TO ATTEND AND TO ACT FOR THE SHAREHOLDER AT THE MEETING. TO EXERCISE SUCH RIGHT, THE NAMES OF THE NOMINEES OF MANAGEMENT SHOULD BE CROSSED OUT AND THE NAME OF THE SHAREHOLDER'S APPOINTEE SHOULD BE LEGIBLY PRINTED IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY.

A registered shareholder is a shareholder who has a share certificate registered in his or her own name. If you are a registered shareholder, you can attend the Meeting and vote in person or appoint someone to vote at the Meeting on your behalf in the manner described above.

Registered shareholders may vote by proxy in the following ways: (1) by mailing the completed form of proxy enclosed with the Information Circular to the offices of Computershare Trust Company of Canada, Proxy Dept., 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or by facsimile at 1-866-249-7775, so that it is received no later than 48 hours (excluding Saturdays, Sundays and holidays) prior to the time of the Meeting or any adjournment(s) thereof; (2) by internet accessing the internet site at www.investorvote.com to transmit their voting instructions; and (3) by phone at 1-866-732-VOTE (8683)

(toll free within North America), or 1-312-588-4290 (outside North America). Registered shareholders who vote using the website should have the form of proxy in hand when they access the website, as they will be prompted to enter their control number, which is located on the form of proxy. If registered shareholders vote using the website or phone, their votes must be received not later than 11:30 a.m. (Toronto time) on September 7, 2018 or 48 hours (excluding Saturdays, Sundays and holidays) prior to the time of the Meeting or any adjournment(s) thereof. **The website may be used to appoint a proxyholder to attend and vote on a shareholder's behalf at the Meeting and to convey a shareholder's voting instructions. Please note that if a shareholder appoints a proxyholder and submits its voting instructions and subsequently wishes to change its appointment, such shareholder may resubmit its proxy and/or voting direction, prior to the deadline noted above. When resubmitting a proxy, the most recently submitted proxy will be recognized as the only valid one, and all previous proxies submitted will be disregarded and considered as revoked, provided that the last proxy is submitted by the deadline noted above.**

REVOCATION OF PROXIES

A Shareholder who has given an Instrument of Proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, an Instrument of Proxy may be revoked by instrument in writing executed by the shareholder or by his attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal, or signed by a duly authorized officer and deposited at the Company's Registrar and Transfer Agent, Computershare Investor Services Inc., 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, at any time up to not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting, or any adjournment of it, at which the Instrument of Proxy is to be used. A revocation of an Instrument of Proxy does not affect any matter on which a vote has been taken prior to the revocation. A Shareholder who has given an Instrument of Proxy may also revoke it by personally attending at the Meeting, revoke it thereat and vote in person.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

On any poll, the persons named in the enclosed Instrument of Proxy will vote the shares in respect of which they are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the proxyholder will do so in accordance with such direction.

IN THE ABSENCE OF ANY INSTRUCTION IN THE INSTRUMENT OF PROXY, IT IS INTENDED THAT SUCH SHARES WILL BE VOTED IN FAVOUR OF THE MOTIONS PROPOSED TO BE MADE AT THE MEETING AS STATED UNDER THE HEADINGS IN THIS INFORMATION CIRCULAR. The Instrument of Proxy enclosed, when properly signed, confers discretionary authority with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this Information Circular, the Management of the Company is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to the Management should properly come before the Meeting, the proxies hereby solicited will be voted on such matters in accordance with the best judgment of the nominee.

In order to approve a motion proposed at the Meeting, a majority of greater than 50% of the votes cast will be required (an "**Ordinary Resolution**") unless the motion requires a Special Resolution, in which case a majority of not less than 66²/₃% of the votes cast will be required.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of the Shareholders do not hold their common shares in their own name. Shareholders holding their common shares through their brokers, intermediaries, trustees or other parties, or otherwise not holding their common shares in their own name (referred to in this Information Circular as “**Beneficial Shareholders**”) should note that only proxies deposited by Shareholders appearing on the records maintained by the Company’s transfer agent as registered holders of common shares will be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a Beneficial Shareholder by a broker, those common shares, in all likelihood, will **not** be registered in the Shareholder’s name. Such common shares will more likely be registered under the name of the Shareholder’s broker or an agent of that broker. In Canada, the vast majority of such common shares are registered under the name of CDS & Co., the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms. Common shares held by brokers (or their agents or nominees) on behalf of a broker’s client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting common shares for the broker’s clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate party well in advance of the Meeting.**

Regulatory polices require brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of Shareholder meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by the Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting. The form requesting such voting instructions (a “**VIF**”) supplied to the Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the Instrument of Proxy provided directly to the registered Shareholders by the Company, however, its purpose is limited to instructing the registered Shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder.

Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications (“**Broadridge**”) in Canada. Broadridge typically prepares a machine-readable VIF, mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the VIFs to Broadridge (by way of mail, the Internet or telephone). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of common shares to be represented at the Meeting. **A Beneficial Shareholder cannot use a VIF to vote common shares directly at the Meeting. The VIF must be returned to Broadridge (or instructions respecting the voting of common shares must otherwise be communicated to Broadridge) or other third party in accordance with the instructions on the VIF well in advance of the Meeting in order to have the common shares voted. If you have any questions respecting the voting of common shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.**

Although a Beneficial Shareholder may not be recognized directly at a Meeting for the purposes of voting common shares registered in the name of their broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered Shareholder and vote the common shares in that capacity. **Beneficial Shareholders wishing to attend the Meeting and indirectly vote their common shares as proxyholder for the registered Shareholder, should enter their own names in the blank space on the VIF provided to them and return it in accordance with the instructions provided by such party on the VIF.**

All Beneficial Shareholders of the Company will, at the time of deposit of their shares with an intermediary, have either (a) consented to disclosure of ownership information about such beneficial holders to the Company (a “**NOBO**”), or (b) objected to disclosure of beneficial ownership information to the Company

(an “OBO”). The Company will send proxy-related materials indirectly through intermediaries to NOBOs. The Company does not intend to pay for proximate intermediaries to forward the proxy-related materials and voting information to OBO’s under National Instrument 54-101, and an OBO will not receive these materials unless the OBO’s intermediary assumes the cost of delivery.

All references to Shareholders in this Information Circular and the accompanying form of proxy are to registered Shareholders unless specifically stated otherwise.

RECORD DATE, VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The common shares of the Company are the only authorized class of shares of the Company.

Any Shareholder of record at the close of business on the Record Date who either personally attends the Meeting or who has completed and delivered an Instrument of Proxy in the manner and subject to the provisions described above, shall be entitled to vote or to have such Shareholder’s shares voted at the Meeting.

MNP LLP was first appointed as auditors of the Company on June 9, 2016. 1. MNP LLP, Chartered Professional Accountants (**“MNP”**), be re-appointed as auditors of the Company to hold office until the next annual general meeting of Shareholders, or until its successors are elected or appointed; and

RE-APPROVAL OF ROLLING STOCK OPTION PLAN

At the Company's November 21, 2017 annual general meeting, the Company proposed and its Shareholders re-approved the Company's 10% “rolling” stock option plan. Under the policies of the TSX Venture Exchange (the **“Exchange”**), a rolling stock option plan must be re-approved on a yearly basis by Shareholders.

Accordingly, Shareholders will be asked to pass an Ordinary Resolution re-approving the Company's rolling stock option plan, (the **“Plan”**). The details of the Plan are set forth below. **Management recommends, and the persons named in the enclosed Instrument of Proxy intend to vote in favour of, the re-approval of the Plan.**

The material terms of the Plan are as follows:

1. The term of any options granted under the Plan will be fixed by the board of directors at the time such options are granted, provided that options will not be permitted to exceed a term of ten years.
2. The exercise price of any options granted under the Plan will be determined by the board of directors, in its sole discretion, but shall not be less than the closing price of the Company's common shares on the day preceding the day on which the directors grant such options, less any discount permitted by the TSX-V or such other price as may be required or permitted by the TSX-V.
3. Vesting requirements may apply to options granted thereunder as determined by the directors, and a four month hold period will apply to all shares issued under each option, commencing from the date of grant.
4. All options will be non-assignable and non-transferable.
5. No more than (i) 5% of the issued shares may be granted to any one individual in any 12 month period; and (ii) no more than 2% of the issued shares may be granted to a consultant, or an employee performing investor relations activities, in any 12 month period.

6. However, if the option holder is engaged in investor relations activities the options will expire on the date that the option holder ceases to be employed by the Company to provide investor relations activities.
7. Disinterested Shareholder approval must be obtained for (i) any reduction in the exercise price of an outstanding option, if the option holder is an insider; (ii) any grant of options to insiders, within a 12 month period, exceeding 10% of the Company's issued shares; and (iii) any grant of options to any one individual, within a 12 month period, exceeding 5% of the Company's issued shares.

The complete text of the Stock Option Resolution is as follows:

“BE IT RESOLVED THAT:

1. the stock option plan (the “**Plan**”) of Rupert Resources Ltd. (the “**Company**”) dated August 6, 2010 is authorized, approved and adopted;

3. any one director or officer of the Company is authorized to execute and deliver all such deeds, documents and other writings and perform such acts as may be necessary in order to give effect to the foregoing resolutions; and
4. notwithstanding the approval of the shareholders of the Company as herein provided, the Board of Directors of the Company, may, in its sole discretion, revoke this resolution before it is acted upon, without further approval of the shareholders of the Company.”

COMPENSATION DISCUSSION AND ANALYSIS

The Company's Board of Directors is responsible for adopting appropriate procedures with respect to the compensation of the Company's executive officers. The Board of Directors aims to ensure that total compensation paid to all NEOs is fair and reasonable and is consistent with the Company's compensation philosophy.

The Board of Directors is also responsible for recommending compensation for the directors and Named Executive Officers when joining the Company and is advised in this regard by the Compensation Committee. Compensation for directors and Named Executive Officers is reviewed by the Board on an ad hoc basis, also on the recommendation of the Compensation Committee, which also makes recommendations to the Board of Directors in approving the granting of stock options to the directors, officers and employees of, and consultants to, the Company pursuant to the Company's share option plan.

Philosophy

The philosophy of the Company in determining compensation is that the compensation should (i) reflect the Company's current state of development, (ii) reflect the Company's performance, (iii) reflect individual performance, (iv) align the interests of executives with those of the Shareholders, (v) assist the Company in retaining key individuals, and (vi) reflect the Company's overall financial status.

Compensation Components

The compensation of the NEOs comprises primarily (i) base salary; and (ii) long-term incentive in the form of stock options granted in accordance with the share option plan.

In establishing levels of compensation the Board of Directors relies on the experience of its members as officers and directors of other reporting issuers in assessing compensation levels taking into account the stage of development of the Company, the size of the Company's assets, available capital, revenues, as well as the particular officer's level of responsibility, duties, amount of time dedicated to the affairs of the Company and contribution to the Company's long term success. These other reporting issuers are identified in Schedule "B" of this Circular. The purpose of this process is to:

- understand the competitiveness of current pay levels for each executive position relative to other reporting issuers;
- identify and understand any gaps that may exist between actual compensation levels and market compensation levels; and
- establish a basis for developing salary adjustments and short-term and long-term incentive awards.

To date, no specific formulas have been developed to assign a specific weighting to each of these components. Instead, the independent directors consider the Company's performance and determine compensation based on this assessment.

The Board of Directors has not conducted a formal evaluation of the implications of the risks associated with the Company's compensation policies. Risk management is a consideration of the Board of Directors when implementing its compensation policies and the Board of Directors do not believe that the Company's compensation policies result in unnecessary or inappropriate risk taking including risks that are likely to have a material adverse effect on the Company.

Base Salary

The Board of Directors approve the salary ranges, or management fees for the NEOs. The review for each NEO is based on assessment of factors such as current competitive market conditions and particular skills, such as leadership ability and management effectiveness, experience, responsibility and proven or expected overall performance of the particular individual.

The Company's former Executive Chairman, President and CEO, Mr. Brian Hinchcliffe ("**Mr. Hinchcliffe**") received \$231,234 salary during the fiscal year ended February 28, 2018. In March 2016, the Board resolved to pay Mr. Hinchcliffe a monthly salary of US\$10,000 (CAD\$13,052 as at August 8, 2018 and converted at the Bank of Canada daily average exchange rate on such date of 1 USD = 1.3052 CAD). In recognition of the position's day-to-day duties, responsibilities and time requirements, this was subsequently increased on January 1, 2017 to US\$16,000 (CAD\$ 20,883 as at August 8, 2018 and converted at the Bank of Canada

daily average exchange rate on such date of 1 USD = 1.3052 CAD) on August 8, 2018. Mr. Hinchcliffe ceased to receive a salary from the Company from December 31, 2017 and resigned from the Board on June 25, 2018.

On June 1 2016, Mr. Jukka Nieminen (“**Mr. Nieminen**”) was hired as the Managing Director of Rupert Finland Oy, a wholly-owned subsidiary of the Company. Mr. Nieminen receives an annual salary of € 115,000 per annum. (CAD\$174,122 as at August 8, 2018 and converted at the Bank of Canada daily average exchange rate on such date of 1 GBP = 1.5141CAD).

On April 18, 2017, James Withall (“**Mr. Withall**”) was hired as CEO of the Company and the Board resolved to pay Mr. Withall a salary of £180,000 per annum (CAD\$302,580 as at August 8, 2018 and converted at the Bank of Canada daily average exchange rate on such date of 1 GBP = 1.6810CAD).

On November 6, 2017, Jeffrey Karoly (“**Mr. Karoly**”) was hired as CFO of the Company and the Board resolved to pay Mr. Karoly a salary of £70,000 per annum (CAD\$117,670 as at August 8, 2018 and converted at the Bank of Canada daily average exchange rate on such date of 1 GBP = 1.6810CAD).

The Company’s former CFO, Robert Suttie (“**Mr. Suttie**”) is an employee of Marrelli Support, which provides accounting and administrative services to the Company as well as to other reporting issuers. Mr. Suttie has not received any direct compensation from the Company in connection with his services as CFO but was eligible to receive grants of stock options under the Stock Option Plan, at the discretion of the Board of Directors from time to time (see disclosure below under “*NEO Summary Compensation Table – Narrative Discussion*”). The Board, using this information, together with budgetary guidelines and other internally generated planning and forecasting tools, performs an annual assessment of the compensation of all executive and employee compensation levels.

Option Based Awards

The Company has in effect the Plan in order to provide effective incentives to directors, officers and senior management personnel and consultants of the Company and to enable the Company to attract and retain experienced and qualified individuals in those positions by permitting such individuals to directly participate in an increase in per share value created for the Shareholders. The Company currently has no equity compensation plans other than the Plan. The Plan is an important part of the Company’s long-term incentive strategy for its executive officers. The Plan is intended to reinforce commitment to long-term growth in profitability and shareholder value. Details of the terms of the Plan are provided above under the heading “*Particulars of Matters to be Acted Upon – Re-Approval of Rolling Stock Option Plan*”.

All option grants are approved by the Board. The size of stock option grants to officers is dependent on each officer’s level of responsibility, authority and importance to the Company and the degree to which such executive officer’s long term contribution will be key to the Company’s long-term success. Previous grants of stock options are taken into account when considering new grants.

In addition to recommending the number of options to be granted pursuant to the methodology outlined above, the Board of Directors also makes the following determinations:

- the recommended exercise price for each option granted;
- the date on which each option is granted;
- the vesting terms for each option; and

- the other material terms and conditions of each option grant.

The Board makes these determinations subject to, and in accordance with, the provision of the Plan.

Use of Financial Instruments

The Company does not have a policy that would prohibit a Named Executive Officer or director from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officer or director. However, management is not aware of any Named Executive Officer or director purchasing such an instrument.

Reliance on Certain Exemptions

Since the commencement of the Company's most recently completed financial year, the Company has not relied on the exemptions contained in sections 2.4 or 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditors, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total amount of fees payable to the auditor in the fiscal year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

The Company is relying on the exemption provided by section 6.1 of NI 52-110 by virtue of the fact that it is a venture issuer. Section 6.1 exempts the Company from the requirements of Parts 3 (*Composition of the Audit Committee*) and 5 (*Reporting Obligations*) of NI 52-110 and allows for the short form of disclosure of audit committee procedures set out in form 52-110F2 and disclosed in this Circular.

SCHEDULE “B”

RUPERT RESOURCES LTD. CORPORATE GOVERNANCE

Corporate governance relates to the activities of the board of directors (the “**Board**”), the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Company. The Board is committed to sound corporate governance practices, which are both in the interest of its shareholders and contribute to effective and efficient decision making. The Board is of the view that the Company's general approach to corporate governance, summarized below, is appropriate and substantially consistent with objectives reflected in the guidelines for improved corporate governance in Canada adopted by the Canadian Securities Administrators (the “**National Guidelines**”).

The Company is a venture issuer (as defined in National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”)) and is required to provide the following information in the Circular if the Company is soliciting a proxy for the election of Directors.

Board of Directors

Structure and Compensation

It is proposed that the Board be composed of five directors: Mike Sutton, Susan Milton, Gunnar Nilsson, Robert Suttie and James Withall.

The National Guidelines suggest that the board of directors of every listed company should be constituted with a majority of individuals who qualify as “independent” directors. An “independent” director is a director who is independent of management and is free from any interest and any business or other relationship which could, or could reasonably be perceived to, materially interfere with the director's ability to act with a view to the best interests of the Company, other than interests and relationships arising from shareholding. In addition, where a company has a significant shareholder, the National Guidelines suggest that the board of directors should include a number of directors who do not have interests in either the Company or the significant shareholder. Of the proposed nominees, three are considered by the Board to be “independent” within the meaning of the National Guidelines and two are not independent (being James Withall, the Company's current CEO and Robert Suttie by virtue of his position as CFO within the past 3 years). In assessing the National Guidelines and making the foregoing determinations, the circumstances of each director have been examined in relation to a number of factors.

Mandate of the Board

The mandate of the Board is to manage or supervise the management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the board oversees the management of the Company's affairs directly and through its committees. In fulfilling its mandate, the Board, among other matters, is responsible for reviewing and approving the Company's overall business strategies and its annual business plan, reviewing and approving the annual corporate budget and forecast, reviewing and approving significant capital investments outside the approved budget; reviewing major strategic initiatives to ensure that the Company's proposed actions accord with shareholder objectives; reviewing succession planning; assessing management's performance against approved business plans and industry standards; reviewing and approving the reports and other disclosure issued to shareholders; ensuring the effective operation of the Board; and safeguarding shareholders' equity interests through the optimum utilization of the Company's capital resources.

Meetings of the Board

The Board meets quarterly to review, among other things, the performance of the Company. Results are compared and measured against a previously established plan and performance in prior years. The Board also holds a meeting each year to review and assess the Company's financial budget and business plan for the ensuing year and its overall strategic objectives. This process establishes, among other things, benchmarks against which the Board may measure the performance of management. Other meetings of the Board are called to deal with special matters as circumstances require.

Nomination and Assessment

The Board determines new nominees to the Board, although a formal process has not been adopted. The nominees are generally the result of recruitment efforts by the Board members, including both formal and informal discussions among Board members. The Board monitors but does not formally assess the performance of individual Board members or committee members or their contributions.

Compensation

The Company has a compensation committee, comprised of Mike Sutton and Gunnar Nilsson. The compensation committee recommends to the Board the compensation for the Company's officers, based on industry standards and the Company's financial situation. The directors currently do not receive any remuneration for their acting in such capacity.

Other Directorships

The following directors who are standing for re-election or are proposed to be elected at the Meeting are also currently directors of the following reporting issuers, other than the Company:

Nominee Director of the Company	Reporting Issuers the Individual is also a Director of:
Susan Milton	BTL Group Ltd.
Mike Sutton	Galway Gold Inc., Galway Metals Inc., Belvedere Resources Ltd.
Robert Suttie	Atacama Pacific Gold Corporation

Other Matters

The Board has not adopted any formal steps to orient new Board members. The Board's continuing education is typically derived from correspondence with the Company's legal counsel to remain up to date with developments in relevant corporate and securities' law matters. The Board has not adopted guidelines or attempted to quantify or stipulate steps to encourage and promote a culture of ethical business conduct; but does promote ethical business conduct through the nomination of board members it considers ethical, through avoiding or minimizing conflicts of interest, and by having a majority of its board members independent of corporate matters.

Other than the Audit Committee and the Compensation Committee, the Board has not established any other committees. All decisions are made by full Board of director meetings or consent resolutions.

Neither the Company nor the Board has determined formal means or methods to regularly assess the Board, its committees or the individual directors with respect to their effectiveness and contributions. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of an individual director is informally monitored by the other Board members, having in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

The Company feels its corporate governance practices are appropriate and effective for the Company, given its relatively small size and limited operations. The Company's method of corporate governance allows for the Company to operate efficiently, with simple checks and balances that control and monitor management and corporate functions without excessive administrative burden.
