RUPERT RESOURCES ANNOUNCES MAILING AND FILING OF MANAGEMENT INFORMATION CIRCULAR AND RECEIPT OF INTERIM ORDER IN CONNECTION WITH PREVIOUSLY ANNOUNCED ACQUISITION BY AGNICO EAGLE

TORONTO May 13, 2026 /BusinessWire: Rupert Resources Ltd (**TSX: RUP, OTCQX: RUPRF, FSE:R05**) (“**Rupert**” or the “**Company**”) announced today that it has filed and is in the process of mailing its management information circular (the “**Circular**”) and related materials for the special meeting (the “**Meeting**”) of holders (“**Shareholders**”) of its common shares (the “**Shares**”), the holders (“**Optionholders**”) of options to purchase Shares (“**Options**”), the holders (“**DSU Holders**”) of its deferred share units (“**DSUs**”), the holders (“**PSU Holders**”) of its performance share units (“**PSUs**”) and the holders (“**RSU Holders**” and, collectively with the Shareholders, Optionholders, DSU Holders and PSU Holders, the “**Securityholders**”) of its restricted share units (“**RSUs**” and, collectively with the Shares, Options, DSUs and PSUs, the “**Securities**”) to be held to approve the previously announced plan of arrangement (the “**Arrangement**”) pursuant to which, among other things, Agnico Eagle Mines Limited (NYSE: AEM, TSX: AEM) (“**Agnico Eagle**”) will acquire all of the issued and outstanding Shares that it does not already own. All dollar amounts in this news release are stated in Canadian dollars.

The Consideration

Pursuant to the Arrangement, each Share will be exchanged for: (i) upfront consideration of 0.0401 of a common share of Agnico Eagle (the “**Share Consideration**”); and (ii) contingent consideration of up to \$3.00, in the form of a contingent value right (a “**CVR**”, and together with the Share Consideration, the “**Consideration**”), that is payable in cash upon certain milestones being achieved over the 10 year term of the CVR, all as more particularly described in the Circular.

Unanimous Board Recommendation

The Board of Directors of Rupert (the “**Board**”) (with Agnico Eagle’s nominee director recusing herself), after careful consideration and having received the unanimous recommendation of the special committee of the Board comprised of independent directors (the “**Special Committee**”) and advice from Rupert’s legal and financial advisors, the Formal Valuation and the Fairness Opinions (each as defined below), unanimously recommends that Securityholders vote **FOR** the Arrangement.

Reasons for the Recommendation

In reaching the conclusion to recommend that Securityholders vote **FOR** the Arrangement, the Board (with Agnico Eagle’s nominee director recusing herself), on the recommendation of the Special Committee, with the assistance of its outside legal and financial advisors, carefully reviewed, considered and relied upon a number of factors, including, among others, the following:

- **Significant Premium to Market Price.** The Share Consideration represents a significant

and attractive premium of approximately 67% to the closing price of the Shares on the Toronto Stock Exchange as of April 17, 2026, being the last trading day prior to the date of the arrangement agreement entered into by the Company and Agnico Eagle (the “**Arrangement Agreement**”).

- **Ability to Participate in Future Potential Growth of Agnico Eagle while Retaining Exposure to Rupert’s Properties.** By receiving the Share Consideration and a CVR, Shareholders will have an opportunity to retain exposure to the mining rights 100% owned by the Company as of the date of the Arrangement Agreement (the “**Acquired Property**”), including the prospect of additional upside through the CVR if the CVR payment conditions are achieved, while gaining exposure to Agnico Eagle, a top-tier senior gold producer, offering enhanced scale and exposure to a diversified portfolio of high-quality operating mines and development projects.
- **De-risking.** The business, operations, assets, financial condition, operating results and prospects of the Company are subject to significant uncertainty, including risks associated with the Company’s dependency on the development of the Company’s 100% owned Ikkari gold deposit situated within the Rupert Lapland Project Area in the Central Lapland Greenstone Belt in northern Finland (the “**Ikkari Project**”) for its future operating revenue. The Board believes that the Consideration is more favourable to Shareholders than continuing with the Company’s current business plan, including the inherent risks associated with ownership of a single-asset, exploration stage mining company, after taking into account the potential for such business plan to realize equivalent value through the continued exploration and potential development of the Ikkari Project.
- **Agnico Eagle ideally positioned to advance the Company’s property.** With Agnico Eagle’s established presence in Finland via its Kittilä mine, access to capital, extensive regional infrastructure and resources, Agnico Eagle is ideally positioned to optimize and advance the Ikkari Project and is positioned to deliver value and certainty to all Company stakeholders.
- **Origin Formal Valuation and Fairness Opinion.** Origin Merchant Partners (“**Origin**”), the Special Committee’s financial advisor and independent valuator, has delivered to the Special Committee and the Board a valuation (the “**Formal Valuation**”) concluding that, as of April 17, 2026 and based upon and subject to the analyses, assumptions, limitations and qualifications set forth in the Formal Valuation, the fair market value of the Shares was in the range of \$9.00 to \$12.50 per Share and the fair market value of the CVRs was in the range of \$0.40 to \$0.90 per CVR. The Consideration being offered to Shareholders (other than Agnico Eagle and its affiliates) under the Arrangement is at the top of end of Origin’s valuation range. In addition, Origin delivered to the Special Committee and the Board a fairness opinion (the “**Origin Fairness Opinion**”) providing that, as of April 17, 2026 and based upon and subject to various assumptions, limitations, qualifications and other matters set forth in the Origin Fairness Opinion, the Consideration to be received by Shareholders (other than Agnico Eagle and its affiliates) under the Arrangement was fair, from a financial point of view, to such Shareholders.
- **Additional Fairness Opinion.** BMO Nesbitt Burns Inc., the Company’s financial advisor, also delivered to the Special Committee and the Board a fairness opinion (the “**BMO Fairness Opinion**” and together with the Origin Fairness Opinion, the “**Fairness Opinions**”) providing that, as of April 17, 2026, and based upon and subject to various assumptions, limitations, qualifications and other matters set forth in the BMO Fairness Opinion, the Consideration to be received by Shareholders (other than Agnico Eagle and its affiliates) under the Arrangement was fair, from a financial point of view, to such Shareholders.

- **Support of all Directors and Senior Officers and certain shareholders of the Company.** Agnico Eagle has entered into a voting support agreement with each of the directors and senior officers of Rupert (other than Agnico Eagle's nominee director) and certain significant shareholders, collectively representing approximately 28.75% of the issued and outstanding Shares (on a non-diluted basis).

A full description of the factors considered by the Special Committee and the Board is included in the Circular under the heading "*The Arrangement – Reasons for the Recommendations*".

Meeting Information and Circular

The Meeting is scheduled to be held virtually via live audio webcast available online at meetnow.global/MQNJC67 on June 9, 2026 at 10:30 a.m. (Toronto Time). In order to proceed, the Arrangement must be approved by not less than (i) 66⅔% of the votes cast by Shareholders, voting as a separate class, present in person or represented by proxy and entitled to vote at the Meeting; (ii) 66⅔% of the votes cast by Securityholders, voting as a single class with one vote for each Share, Option, DSU, PSU and RSU held, present in person or represented by proxy and entitled to vote at the Meeting; and (iii) a simple majority of the votes cast by Shareholders present in person or represented by proxy and entitled to vote at the Meeting, excluding votes cast by Agnico Eagle and its affiliates.

As a result, even if the Arrangement is approved by Securityholders at the Meeting, there is no assurance that the Arrangement will ultimately be completed (or as to the timing of completion).
